FIG	APPROVAL OF STATE ENGINEER			
	This is to certify that I have examined the foregoing application, and do hereby gra			
filed for use of stored waters) and is subject to any prior rights on the source. By filing of Proof of Completion of Work, as required under conditions of the permit, secondary applications will be in order for approval so that applications of water to a beneficial use may be made. This Permit does not extend the permittee the right of ingress and egress on public, private or corporate lands. The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies. This permit is issued subject to the stipulation between the Board of Trustees of the Clark County Sanitation District and the Colorado River Commission dated January 17, 1989.
